

Consistent with state and federal government guidance, and with primary concern for the wellbeing of our customers and staff members, we are announcing the following temporary adjustments to our provision of banking services. We continue to encourage our customers to use these banking services before requesting to enter our bank's four office lobbies:

- OnLine AnyTime internet banking
- Mobile Banking and Mobile Deposits
- ATM Transactions
- Drive-Up Transactions
- Walk-Up Exterior Window Transactions

During these rapidly changing times, we are temporarily modifying our office hours and will limit the number of customers/guests served in our offices until further notice. The available services at each of our bank offices during all banking hours are:
